

## OFFICER CADET MANAGEMENT CONSULTANCY SERVICES

Just be Maritime Ltd has the passion, commitment and empathy to support the selection, recruitment and management of the next generation of mariners who will achieve the appropriate competencies for our 21<sup>st</sup> Century maritime industry. Most importantly, they will gain the confidence to lead this industry through imminent critical changes, with their leadership and management capabilities enabling these challenging goals to be achieved.

Our management group includes senior personnel from the maritime industry, who have come together to offer targeted consultancy services in a simple and cost-effective way, tailored to your needs. Our highly experienced team has extensive knowledge of this industry, both from time served onboard vessels and the management of extensive Officer Cadet programmes within large shipping corporations, including recruitment and training of international cadet programmes.
